René Magritte | Cosmolite® Limited Edition*

Samsonite presents a unique capsule collection of two Cosmolite Limited Editions inspired by the art of René Magritte. As one of the leading creative figures of the 20th century, Magritte was known for his dreamlike, surrealist style.

His work is instantly recognisable and continues to captivate the minds of people all over the world.

The Cosmolite Limited Editions pay homage to two of Magritte's most renowned paintings "The Son of Man" and "Sky Bird".

The Magritte theme continues inside the suitcase revealing a beautifully customised interior showcasing another one of his masterpieces "The Curse".

Cosmolite is our bestselling Curv® collection thanks to its iconic, award-winning design and immense lightness (weighing only 1.7 kg for the Spinner® 55).
